

GALATIANS: *Standing for the True Gospel of Grace*

Righteousness is by Faith Apart From Works and Human Merit

Paul's gospel, directly from God and independent of man, is demonstrated from various periods of his life.

Those justified by faith are heirs of the promise made to Abraham and no longer in bondage to the Law.

Faith and Sanctification:
Those justified by faith are to exercise their freedom in love while walking in the Spirit.

The message is genuine and backed by a valid messenger.

The message is biblical and consistent with God's revelation.

The message does not promote sin but leads to godliness and love.
